Signature of objector attorney
Mailing on Objector's behalf

ATTACHMENT

3. Quantity

The Idaho Department of Water Resources Director's has adopted a policy that groundwater rights are to be defined in a volumetric basis, as opposed to the rate of diversion and length of irrigation season, and has applied this policy in the adjudication of groundwater rights. To be consistent with this policy, and other groundwater rights being recommended in Basin 27, it is necessary that this water right explicitly define a volumetric diversion limit.
