Attention: Don Shaff

Subject: Notice of Error, 3-4003

Dear Don,

Enclosed on behalf of Kent Mann of Mann Farms is a notice of error for the preliminary recommendation on the above referenced claim. Mr. Mann disagrees with the comment stating, "Place of use is within the area served by Farmers Cooperative Ditch Co." We seek to have this statement removed from the recommendation for this right. I looked at the GIS layer for irrigation companies and see that the Farmers Cooperative Ditch Co service area overlaps the claimed place of use. However, Kent is very familiar with this area and knows that Farmers cannot and does not serve here. The enclosed map shows in cross-hatching the approximate adjacent service areas for Farmers, which includes those areas about ¼ mile south of the 3-4003 place of use and lands east of the railroad tracks. Please let me know if you have any questions or if we need to supply additional information.

Sincerely,

Scott N. King, P.E.
Senior Project Engineer
