RE: Snake River Basin Adjudication (SRBA)  
Notice of Claim to a Water Right #3-4010

Dear Claimants:

We have processed the change in ownership of the Notice of Claim to a Water Right referenced above for your property in Payette County. I apologize for the inconvenience of submitting the paperwork twice. As you pointed out, the deed needed to be read very carefully because of its wording. The additional information you provided was helpful in figuring out where I initially misread the deed. Thank you for your patience.

Enclosed is a copy of the preliminary recommendation of this claim. Also enclosed are copies of the information that was sent out in the general mailing of the preliminary recommendations for your area. The public meeting has passed, but the remaining information may be helpful to you. Please note the page titled Notice of Error Reply. If you have any concerns about the elements of the preliminary recommendation, please record them on this form and return it by July 21, 2006. If you have any questions, please call. Our toll free number is 1-800-451-4129 or my direct number is (208) 287-4918.

You may retain these copies for your file. If you need to contact the department regarding your water right in the future, please refer to the record number 3-4010.

If your mail delivery address changes in any form, please contact us in writing so we can update our records to assure you receive important notices concerning your claim and recommendation.

Sincerely,

Jennifer Dean
