RE: Snake River Basin Adjudication (SRBA)
Incomplete Notice of Change of Water Right Ownership
Notice of Claim to a Water Right #74-15491 and Water Right #74-390

Dear Claimants:

We are returning the incomplete Notice of Change of Water Right Ownership form you submitted for your property in Lemhi County. Before we can process your ownership change, we need proof of conveyance (Item 2B).

The former owners of water right #74-390 never filed a Notice of Claim to a Water Right in the SRBA. Because the Director's Report for your area has already been submitted, you will need to petition the SRBA Court before filing a claim. I have enclosed a Standard Form 4 (SF4) for your use. I have also enclosed a blank Notice of Claim form with instructions. Please follow the instructions exactly, so your claim form will be complete. You will need to enclose your Notice of Claim and the appropriate fees with the SF4 when you send the originals to the Court.

Please return the completed ownership change form for **Notice of Claim #74-15491** to the attention of **Roxanne Brown** at this office. Remember, the new claim for 74-390, the SF4, and the fees should be submitted to the SRBA Court

Please call me toll-free at 1/800-451-4129 if you have any questions.

Sincerely,

Sally Sherman
