1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

Priority date, Place of use, Total Acres for combined rights.  
Combine rights, map.

2. Describe the changes you wish to make in the proposed recommendation:

Priority date: 11/10/1893  
Place of use: Is not accurately described. Leaves out 106 acres. Need to look @  
Amended claim see 10215  
Total Acres for combined right. Need to go thru all combined rights & refigure acres.  
Combined rights: Water used on same land via 21-12938 + 21-2054 B + 21-12854

3. Give a brief explanation as to why you disagree with these portions:

Priority date: I have submitted info that clearly establishes a priority date.  
Place of use: Amended claim specifically identifies irrigated acreages.  
They are not described correctly in preliminary recommendation.  
Combined rights: Water via those other rights are also used on described acreage.

I AGREE with this proposed recommendation: no changes need to be made.
