RE: 85-4231 – Maxine McMurray to Vance McMurray

Good day to you, Sally,

We received the attached change of ownership papers today, and after speaking with Greg Taylor on this matter [Greg sent them the attached map back in March of 2004], he indicated that there are some special forms required in order to change the name and ownership on this. I understand the matter is in the courts but this particular right has not yet been decreed.

I did receipt their check in the amount of \$25.00, and since the right has not been decreed, they might need a refund on that. I'm not positive about that matter.

Will you please send them the necessary paperwork to accomplish this ownership change with the courts? Greg didn't remember exactly what that included.

Apparently the property is going from the mother, Maxine McMurray, to the son, Vance McMurray – and no date acquired is listed, nor paperwork showing how the property, etc., is being transferred to the son.

Thanks for your help.
