16 In Re SRBA) Subcase No. 45-00167A
17 Case No. 39576)
18) **AFFIDAVIT OF**
19) **NORMA POULTON EDGAR**

20 STATE OF IDAHO)
21) ss.
22 County of Cassia)

23 Norma Poulton Edgar, being first duly sworn, deposes and says:

24 1. That your affiant is an adult resident of Idaho and makes this Affidavit on
25 her own personal knowledge, is competent to testify to the matters stated herein, and this
26 Affidavit sets forth facts as would be admissible in evidence.

27 2. That your affiant resides at 412 East South 400 South in Burley, Idaho.

28 3. That your affiant is the Aunt of William Poulton and I am familiar with
what is now the Rose property, which is located at approximately 994 South 150 East because I

1
2
3 attended church there when the church house was there.

4 4. In 1924 my family moved to the Willow Creek area, specifically the
5 Poulton Ranch. The Poulton Ranch is located just north of the Church House Corner.

6 5. That as a child, I would play hide and seek on the Church House Corner
7 Property during community gatherings held on my parents' property. I and the other children
8 would hide in the sagebrush next to the old church building, which was adjacent to my parents'
9 property. The old church ground was covered with sagebrush and weeds while the church house
10 was on the property. There was no grass lawn or field being irrigated by Willow Creek.

11 6. That on Sundays I attended church as a member of the Church of Jesus
12 Christ of Latter-Day-Saints at the Church House Corner periodically from approximately 1924 to
13 until the branch was disorganized in April of 1947. We took our own water to drink because
14 there was no water on the lot. Everything was very dry and in the summertime, when the wind
15 blew, it was terrible with blowing dust.

16 7. The Church House Property was partially graveled for people to park on
17 who came to the church in their cars and wagons.

18 8. Based on a lack of members, no services or meetings were held on the
19 Church House Property from August of 1926 to April 1933. Meetings were again held from
20 April 1933 until 1947. The last year meetings were held at the Church House Property March
21 16, 1947.

22 9. As a youth, I remember going to dances held in the church building. We
23 always took our own water, as there was no other water source available. During those dances
24 we had a table at one end of the church building with a bucket of water and a dipper for anyone
25 that needed a drink.

26 10. That to my personal knowledge there was never any water supply on the
27

Church House Corner. The property was sold by my Grandpa Poulton to the Church for \$1 and was never irrigated by any diversion from Willow Creek.

11. Attached as Exhibit "A" is a true and accurate copy of a photograph of the Church House located on the church property from the 1920's.

12. Attached as Exhibit "B" is a true and accurate copy of a photograph of the Church House and surrounding property located on the church property from the 1920's.

13. Attached as Exhibit "C" is a true and accurate copy of a photograph of the Church House and surrounding property from 1946-1947.

FURTHER YOUR AFFIANT SAITH NAUGHT.
