WATER RESOURCES

Irmez D. Dotson being first duly sworn,

deposes and says: I've lived at 3101 Rush Creek Rd
Cambridge, Idaho, for 89 years, my birthday
is August 25, 1916.

All these years I have been a Neighbor
of the Kellar's. The spring water has been in
use for domestic and irrigation.

My sister Ellen Ford lived on the ranch
when she was two years old, and the
spring was there, then. My sister is 96 years
old and her birthday is March 25, 1910.
My father and Mother talked about using
the water from the spring while they lived
there and they lived there until 1942.
