- Salisbury did not claim all of decreed land he owns on this claim. He does claim land not decreed under this right. I recommended that land which he owns which is 160 acres and gave him 3.2 cts based on ~~acreage~~ decreed cts/acre.
- Salisbury claimed Forgee creek which is creek decreed but water from Howard creek looks to be coningled in ~~NESE~~ Sec 10.
- Does not look like Forgee creek can reach southern part of decreed land.
