

On 7/12/05 I spoke with Tony Olenichek about rights 21-110, 21-111, and 21-112. He says that Water District One has not been delivering these rights downstream as North Fork Reservoir Co. claims. He says a transfer has not been processed and therefore their accounting does not show the rights delivered. No points of diversion are listed for these rights.

J. Ryan Mikesell

A handwritten signature in dark ink, appearing to read "J. Ryan Mikesell", written in a cursive style.
