Re: 27-10151

When I was checking why the shape was not linked, I corrected the stray vertexes and then linked the shape on 1/12/06.

At the same time I noticed that the names were incorrect on the PDR. As I searched the file, I noticed that when the ownership change was processed on April 4, 2005 in IF, the wrong name was changed in the database. The name that should have been changed from current owner to original owner Rosemary Tominaga, not Joann Tominaga. I corrected the database to reflect the correct current owners.
