Hi Skip,

You did a field exam of the Shelley Cemetery District on September 25. You indicated on the map that the shape needed to be changed to include an area that is a triangle shape. It is east of the existing cemetery and runs along the road and some other line. I can't tell if it is a canal, river, stream, or road. :-)

Anyway, when I add this shape I can only get 7.4 acres total. This is not leaving any space for a roadway within the cemetery itself. Is there any other land than can be added to allow the Cemetery to take advantage of the 9.5 acre limit?

Thanks.

Barbara :-}
