11. I object because:
☐ This water right should not exist.
☐ This water right was not recommended, but should be recommended with the elements described above.

E. **REASONS SUPPORTING OBJECTION(S):**

The point of diversion and place of use in the SWNW Section 12, T22N, R6E as shown in the Directors Report recommendation includes National Forest System and private land. It is presumed that this water right is on private land. If the water right is on private land the legal descriptions need to include language that the water right is on part of Mineral Survey 1893, and the applicable lot of the Virginia Subdivision.
