Dear Basin 27 Water User:

It has recently come to the Department's attention that a clerical error was made in the recommendation for your water right no. 27-11954. In order to correct this clerical error, the Department is requesting that you review and complete the enclosed Standard Form 1 Objection Form and use the enclosed pre-addressed envelopes to file a copy of the objection with the Snake River Basin Adjudication (SRBA) District Court and required parties. Also enclosed for your reference is a copy in underline/strikeout format of a revised recommendation that shows which elements should be changed or added. If you would like to object to any other element or to the elements marked for some other reason, you may do so on the enclosed form as well.

The enclosed objection form must be received by the SRBA District Court prior to March 17, 2006, so your prompt attention to this matter is greatly appreciated.

If you have any questions you can contact Ernest Carlsen at the Department's Eastern Region Office at 525-7161 or Cindy Bird at the Department's Soda Springs at 547-3993.

Again, thank you for your prompt cooperation.

Very Truly Yours,

Donald V. Shaff
Adjudication Bureau Chief

Cindy Bird

Please note: An original copy was mailed to a wrong address on March 01, 2006, then returned to your office on March 15, 2006. You then mailed the documents on July 24, 2006 and I received such around August 1, 2006. I'm sorry for the delay. Apparently, the need is to add the source and point of diversion. Otherwise, I have no objections.
