Re: Owner Change in the Name of Southeast Idaho Canal Co. (SEICC)

An ownership change submitted by SEICC (see attached copy) was forwarded to Boise for processing for rights 21-46 parts B, C and D and 21-47 parts B, C and D and 21-4053. Note that the listed rights (all except 21-4053) were claimed in the SRBA under right 21-11226. Right 21-11226 was subsequently split into 21-12942 and 21-12943. Those rights were then split into 21-12953 through 21-12956. Since all parts are currently claimed and in the name of SEICC, additional fees and processing are not appropriate (see your letter of July 15, 2004, copy attached). I am returning a copy of the notice and attachments for your follow-up with the water right owner.

Water right 21-4053 was not claimed in the SRBA. We will correspond with SEICC to let them know that an ownership change on the pre-1987 right can be processed, but will likely be found invalid since a claim in the SRBA is required. We will provide an opportunity to apply the \$25 towards a claim in the SRBA if they choose to file one.
