To Water Resources - Boise ID

To whom it may concern,
I came to sunny slope in June 1932
we knew the family (Barnes), that
lived in the first house west of the
sunny slope school.

We pitched our tent in their yard.
where we lived until December.

Tom Crew owned the 40 acres where
the sunny slope Market is.

His house was located right where
the current house is, & burned down
in the fall of 1932.

My Dad was a carpenter, & he & I
rebuilt the new house for Tom Crew.
~~There~~ there was a well ~~there~~ right
behind the house, it was a good
well & was in use at that time
