RE: Amended Basin 79 Notices of Claim to a Water Right and Basin 85 Late Claim

Dear Mr. Enneking:

You will find enclosed amended Notices of Claim to a Water Right forms for Snake River Basin Adjudication (SRBA) claim nos. 79-14150, 79-14152, 79-14153 and 79-14187. Please review the forms, and if the description of the elements on the claims meets your satisfaction please sign and date the forms before a notary public at Item 16. You will then need to return the claim forms to my attention no later than September 22, 2006.

I have also enclosed a draft late claim for the three ponds that are located in Basin 85. If you decide to file the late claim for your water use in Basin 85, you will also need to complete the SRBA Court's Standard Form 4, Motion to File a Late Claim. Your signatures on both the Standard Form 4 and the Notice of Claim will need to be notarized before sending the documents to the SRBA Court. Also, you will need to contact me for a Basin 85 claim number before sending the documents to the Court.

If you have any questions, the direct phone line to my desk is (208) 287-4917, or you may send email to Carter.Fritschle@idwr.idaho.gov.

Sincerely,

A handwritten signature in cursive script, reading 'Carter Fritschle', written in dark ink.
