Dear Roxanne:

We received copies of the Preliminary Recommendations for the Water Rights of Robert P. Dreyer, Northwest Fidelity Trust and Big Creek Ranch, LLC, which we very much appreciate. We have asked the clients to confirm the number of irrigated acres just to be sure they agree with your numbers and maps.

For some reason, unknown to me, I received a copy of the place of use map for Water Right No. 73-12064 in the package, and it had me confused for a few moments until I realized that it is not one of our water rights and is for lands several miles west of the Big Creek Ranch lands.

We also received a recommendation for Water Right No. 73-12038.. That is the land in Sections 20 and 21 of T13N., R24E. that is now in the names of David A. and Natalie M. Laatz. We have previously furnished you with copies of the Deeds showing how this property got from Big Creek Ranch, LLC, to the Laatzs. I am not sure we ever provided you with a formal notice of Change of Ownership in addition to the deeds, and if that is needed, please let us know. Thank you for your continued assistance.

Yours very truly,

Kent W. Foster
