Re: Water Right No. 45-167A

Dear Michael and Leah:

During today's status conference, it was asked whether Jeanie Robertson had personally visited the property at issue before making her recommendation.

After discussing the matter with her this afternoon, Jeanie stated that she did not personally visit the property before making her recommendation. Jeanie stated that she relied on aerial photography to arrive at her recommendation, in addition to the fact that the place of use had been previously decreed.

If you have any questions or concerns, please do not hesitate to contact me.

Very Truly Yours,
