AFFIDAVIT

I Dale L. Becker being first duly sworn,

deposes and says: I observed the use of irrigation of water on the property
stated in the water right. I further observed the irrigation of the described property
in the water right for many years there after. I personally saw crops
being irrigated from the Snake River during the summer of 1952.
I also periodically helped with the maintance of the system and the moving of
irrigation pipe.
