NOTICE OF ERROR Department of Water Resources
REPLY Adjudication Bureau

Please type or print clearly, fill out this form completely and mail.

Return this reply form to IDWR by the deadline date printed below if you want IDWR to change your recommendation or you want to let IDWR know that you agree with its recommendation.

YOUR DEADLINE FOR RETURNING A NOTICE OF ERROR REPLY IS: September 29, 2006

Water right number: 73-4096

CORP OF THE PRESIDING BISHOP
CHURCH OF JESUS CHRIST OF LATTER DAY SAINTS
50 E NORTH TEMPLE ST
SALT LAKE CITY UT 84150
Telephone Number: (801) 240-4074

1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

Beneficial Use & Quantity

2. Describe the changes you wish to make in the proposed recommendation:

The water right should include 0.5 acres for irrigation. When irrigation is included as part of the water right the limit of 2,500 gallons per day is insufficient.

3. Give a brief explanation as to why you disagree with these portions:

The Adjudication Claim Report for this water right listed both domestic & irrigation. When I contacted the manager for this Church he said he was irrigating about 0.5 acres. The Preliminary Recommendation does not indicate any water for irrigation.

☐ I AGREE with this proposed recommendation: no changes need to be made.
