**RE: Jake & Afton Amy
Snake River Basin Adjudication
Late Notices of Claim to Water Right Nos. 33-7093 and 33-7159**

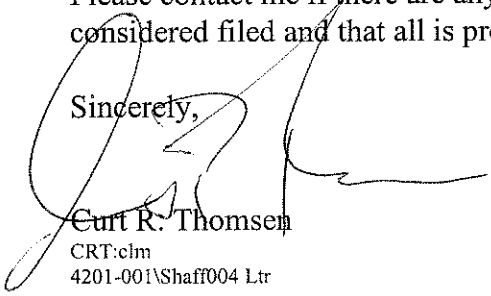

Dear Mr. Shaff:

My office received a telephone call from Sally of your office indicating that for some reason they could not find the two claim forms (42-1409(2)a which I sent to you by letter dated June 9, 2006. You will recall that I sent the claim forms and there was some delay in submitting the required fee, which was submitted by letter dated September 1, 2006.

I am at a loss to explain why Sally cannot find this information but I did send the original claim forms to you on June 9, 2006. I am enclosing duplicates of my correspondence and duplicates of the claim forms as submitted.

Please contact me if there are any questions or concerns. Please let me know that the claims are considered filed and that all is proceeding correctly on these matters.

Sincerely,

Curt R. Thomsen

RE: Snake River Basin Adjudication
Late Notices of Claim to Water Right Nos. 33-7093 and 33-7159

Dear Mr. Shaff:

This will follow up your letter of January 30, 2006 to Mr. and Mrs. Amy and to myself regarding the noted water rights, and our conversations subsequent to the letter concerning the claims.

You have advised that notwithstanding the NO. 243 claim forms submitted to the court in support of the motion to file late claims (granted by the court), Amys should submit an additional notice of claim to IDWR per the forms submitted.

Enclosed are claims for Rights 33-7093 and 33-7159. There are other rights involved which are apparently properly noticed in the proceeding (33-7178 and 33-7177). If there are any problems with these additional rights, please give me a call at your earliest convenience.

The flat filing fee of \$50.00 per claim has already been submitted and you advised that there is an additional fee of \$3.00 per kilowatt capacity on the plant. The kilowatt capacity as listed on the nameplate is 650 kilowatts and a check in the amount of \$2,275.00 is enclosed herewith for that fee.

Donald V. Shaff, MPA

Please contact me further if there are any questions or concerns about the documentation. Thank you for your consideration.

Sincerely,

Curt R. Thomsen
