RE: Subcase Nos. 25-4085 & 25-4086 (Independent Irrigation Co.)

Dear Judge Melanson:

The *Order of Partial Decree for Irrigation Delivery Entity Using Digital Boundary Description*; I.C. §§ 42-202B(2), 42-219(2), 42-1411(2)(h) was issued by the SRBA Court on February 10, 2006. IDWR has discovered that the Standard Form 5 and the partial decree contain a clerical error in the digital boundary.

Water right no. 01-80C is an overlapping water right with water rights 25-4085 and 25-4086, and will be reported to the SRBA in the Director's Report for Basin 01, Part 2. In order for the digital boundary to accurately describe Independent Irrigation Company's place of use, all of its water rights should have the same digital boundary. A revised digital boundary is included herewith for 25-4085 and 25-4086 that reflects the correct place of use for Independent Irrigation Company. Also attached for your information is a map depicting the correct place of use.

Independent Irrigation Company is aware of the clerical error. I am also sending them a copy of this correspondence.

If you should have any questions, please feel free to contact me at 287-4810.

Very Truly Yours,
