_____)
This form is used to report the stipulated elements of one water right acquired under state law. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine whether the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Basin Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; and they have been served with sufficient process, according to the law; and that they have appeared, prosecuted and defended their positions with regard to this water right dispute.

The claimant and IDWR agree and stipulate that the stipulation will resolve the objection by the City of Pocatello to the following element(s):

point of diversion.

The claimants and IDWR acknowledge that the other objections filed by the City of Pocatello to any other elements and/or general provisions and the related responses are still outstanding. The claimant, respondents and IDWR have further indicated their concurrence by their signatures below and by initialing each of the attached pages.
