REPLY

Please type or print clearly, fill out this form completely and mail.

Return this reply form to IDWR by the deadline date printed below if you want IDWR to change your recommendation or you want to let IDWR know that you agree with its recommendation.

YOUR DEADLINE FOR RETURNING A NOTICE OF ERROR REPLY IS:

Water right number: 63-232

GOLDEN GATE IRRIGATION DIST
CHRISTOPHER GABBERT
WHITE PETERSON LAW OFFICES
5700 E FRANKLIN RD STE 200
NAMPA ID 83687-7901
Telephone Number: (208)466-9272

1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

The District disagrees with the recommended place of use set at 231 acres. The original notice of claim filed in this matter asserted a total of 355 irrigable acres.

2. Describe the changes you wish to make in the proposed recommendation:

The District would like the proposed recommendation to reflect the actual amount for place of use at 355 acres as contained in the Stewart decree, upon which this water right claim is based.

3. Give a brief explanation as to why you disagree with these portions:

The District has not been furnished an explanation for the reduction in the irrigable acreage under its place of use. IDWR has not furnished the District with any maps demonstrating where such reduction in acreage stems from, nor has the District had an opportunity to respond to this proposed reduction. The only map received outlined the District boundaries. Additionally, IDWR is requesting a thorough review of these matters in a very expedited time frame. Information was received on this matter on 9-12-06, demanding a response by 9-29-06. Without providing the proper materials & basis for the recommended reduction in place of use, the District is unable to provide the necessary review and, as such, disagrees with the proposed recommendation.

☐ I AGREE with this proposed recommendation: no changes need to be made.
