Dear State of Idaho Department of Water Resources,
Roxanne Brown,

The irrigation ditch in question is Peterson Springs, Johns Ditch, with a period of use 04/15 10/15, with a quantity of 0.350 CFS. Irrigation within Lemhi County T15N R21E S22 SWSE 15.00

I disagree with this recommendation of there being no beneficial use or basis of claim.

I know that this portion of land was always watered by the John's ditch. I moved here in 1973. At that time the field was irrigated by this ditch.

I tried to locate and get affidavits from previous owners, Dean Bowles and Harold Sweeney, but they have both passed away.

I know that Jim Dowton received his water in the mid 60's from Harold Sweeney. At that time the ditch ended at Dowton Lane. Jim Dowton extended the ditch, west, from there to his property.

Thank You,
D & K Moen Ranch LLC
