Re: Water Right Claim Numbers 35-8119 & 35-8192

Dear Ms. Nash:

Today this Court received for filing from your office a *Standard Form 1 Objection* and an *Affidavit* for each of the above-referenced water right numbers, as well as for four additional water right numbers in Basin 35.

Please be advised that claim numbers 35-8119 and 35-8192 are not valid numbers in our computer system as they have not been reported to this Court by the Idaho Department of Water Resources. Consequently, we are returning your filings for those two water right numbers. Also enclosed is a *Notice Setting Hearing* on the filings for water right numbers 35-2263B, 35-4168, 35-4190 and 35-8048.

It is necessary that your office provide each party listed on the *Certificate of Mailing* that is attached to the *Notice of Hearing*, with a copy of each document you filed with this Court. If you have any questions, please contact us at 208-736-3011.

Sincerely,

A handwritten signature in cursive script that reads "Julie Murphy".
