We bought the Newman place in 1982 from the Newmans. The Newmans were the ones who had the place from the 1939 date you have in your letter and even before that, according to Mr Andersen. They irrigated it up till the time we bought it.

My name is Lynn Anderson. I have lived in Weiser, Idaho since 1928, in the Sunnyside Area. I personally helped dig several wells in this ~~area~~ vicinity. In regards to the applegate well I am aware since 1936 it has been used to irrigate the property.
