Place of use. I believe it should include the area I've outlined on the map. 22 more Acres

Include the area I outlined on the map. We have always used this well water on all our crop ground in Section 8. 22 more Acres

3. Give a brief explanation as to why you disagree with these portions:

It was all ways my understanding that this well provided water for all the crop ground we own in section 8. That's how we've been irrigating since 1963.
