)

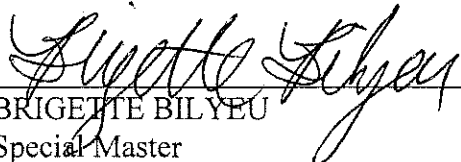

The Respondent State of Idaho filed a *Motion for Site Visit by the Special Master* on October 13, 2006. A hearing was held on October 20, 2006. The Motion asked for a site visit of the real property on which the water claim at issue is located.

The *Motion* asked that the Special Master view or inspect the pasture at issue to get a general idea of the layout of the property and to view the ditch system, soil, and land.

The *Motion* was not opposed. The Court **granted** the *Motion*. A site visit will take place on **October 26, 2006 at 1:00**. It was agreed to that no experts would join in the site visit and that the inspection is not to be a substitute for trial. Therefore, each party is expected to have only their attorneys present. The Idaho Department of Water Resources may have an agent in attendance, if desired by the Department.

In addition, the parties asked for clarification of the deadline for Trial Briefs, if any. The deadline for Trial Briefs is November 22, 2006.
