

Memorandum

Date: September 27, 2006

To: Sally Sherman

Cc: File 67-14364

From: Craig L. Saxton

Subject: Late Change of Ownership that splits 67-14364

Sally,

This is a right that should have been split when a change of ownership was submitted in 2000. I found that the water is applicable to the property described in the deed submitted by Griffin.

Please split.

Recommendation records are done. Please return to me and I will update shapes for new recommendation in SDE.
