RE: Change of ownership for files 67-14420 and 67-14421, relating to parent file 67-14058A

A change of ownership resulting in a split was completed for 67-14058A was completed in 2003. The split resulted in two new file numbers, 67-14420 and 67-14421.

In a review of the deed received in June 2003, it appears the change of ownership should not have resulted in a split. The deed states all of the property listed as the POU in 67-14058A was transferred to the ownership of David Keith Crosby.

Therefore, claims 67-14420 and 67-14421 should be recombined into 67-14058A, 67-14058A should be reactivated and the owner listed should be David Keith Crosby.
