IN THE MATTER OF
NOTICE OF CLAIM TO
A WATER RIGHT NO. (S)

67-11293
67-4968

State of Idaho
County of Adams

AFFIDAVIT

Reed L. Henderson being first duly sworn,
deposes and says: I bought the property,
and moved there in February, 1961.
The water rights were used for
Irrigation and stock water
all the time. From that date, the
irrigation water was diverted from
the honnet creek and used on
the property that Mr. Barry
now owns. I started using
the water in February 1961, and
used the water until 2004. The
water was being used when I
bought the property.
