Entire Claim

See below

3. Give a brief explanation as to why you disagree with these portions:

This claim was acquired by BLM as an appurtenance associated with land purchased from the owner of the parent right (47-16846). BLM has investigated this claim and determined that the water source described does not exist. By this Notice, BLM voluntarily forfeits this claim with prejudice and requests that IDWR recommend this claim as disallowed in the Director's Report.
