RE: Water Right Claims for Park Intermediate School (67-10583) and Weiser Middle School (67-10584)

Dear Sir or Madam:

Please find enclosed the information to verify the priority dates for the water rights claims for:

- **Park Intermediate School (67-10583):** A notarized copy of a Board of Trustees resolution to begin using an independent source of water (well) dated August, 1958.
- **Weiser Middle School (67-10584):** A notarized copy of Board of Trustee minutes from May, 1957 describing the change from irrigating with ditch water to use of a pump and a well.

We hope this documentation sufficiently establishes the priority water use rights for these two claims.

Sincerely,

JAMES A. REED, Superintendent
Weiser School District #431

CLASS A SCHOOL DISTRICT NO. 431

Weiser, Idaho

August 14, 1958

TO: ALL USERS OF THE IRRIGATION LATERAL RUNNING FROM THE GALLOWAY
DITCH SOUTH ALONG THE WEST SIDE OF THE PARK SCHOOL, THENCE
SOUTH ACROSS PARK STREET TO ITS TERMINATION.

TO WHOM IT MAY CONCERN:

The Board of Trustees of Class A School District No. 431
met in regular session on Monday, August 11, 1958 at which time the
following resolution was passed:

INASMUCH as we have explored and found an adequate and
independent source of irrigation water, and

INASMUCH as we have been requested by the users of the
lateral irrigation ditch herein described to remove our pump from
said ditch, now therefore

BE IT RESOLVED that the Board of Trustees acting as
authorized agents for said school district hereby and herewith
relinquish all rights and responsibilities in and to said lateral
irrigation ditch extending from the Galloway ditch in the southeast
quarter of Section 29, Twp. 11 N, Range 5 WBM, thence south approx-
imately along the west side of the Park School grounds and thence
south across East Park Street in Weiser, Idaho to its termination.

BE IT FURTHER RESOLVED that as many of the users of said
lateral ditch as may come to our knowledge be notified in writing
of this action of the school district.

A. A. Zwick

Chairman, Board of Trustees
Class A School Dist. No. 431

a single health and maintained in good operating condition by the donee acquiring title to such property.

May 13, 1957

RESOLUTION OF GOVERNING BOARD

"Resolved that SASP Form 1A, Certification and Agreement for participation in the Federal Surplus Property Program, noted above shall be spread upon the minutes of this meeting and that L. J. Eason, Superintendent of Schools, shall be and he is hereby authorized as the representative of Class A School District No. 431, of Washington County, Idaho, to obligate its funds and obtain the transfer to it, from said agency, of surplus property upon and subject to the terms and conditions relating to transfer of property for educational or health or civil defense purposes set forth above and in its name and on its behalf agree thereto.

"Resolved further that a certified copy of this resolution be given to the Idaho State Agency for surplus property, and that the same shall remain in full force and effect until written notice to the contrary is given surplus property section."

I, Agnes Allan, hereby certify that I am the custodian of the official records of the Class A School District No. 431 Board of Trustees, and that the foregoing resolution is a true and correct copy of a resolution adopted by a majority of the members thereof present at a meeting of said Board regularly called on the 13th day of May, 1957 at which a quorum was present; and that L. J. Eason, is duly appointed and acting superintendent of said organization.

The above resolution was seconded by Arlo Alder and carried by unanimous vote.

An award for safe operation of the schools from the State Insurance Fund was read.

It was decided that the chairman of the Board, Mr. A. A. Bresheers present the diplomas to the high school graduates and that Carroll Martin present them to the 8th grade graduates.

The bids on the pipe and sprinklers were discussed. Motion was made by Fred Eisenbarth that the superintendent be authorized to go ahead and purchase the materials from the bids presented wherever he could get them the cheapest and best. Motion was seconded by Carroll Martin and carried.

Motion was made by Carroll Martin, seconded by Robert Emmons that additional liability insurance be taken to raise the limit of liability for one person to \$100,00 and for more than one person \$300,000. Motion carried.

It was decided that Charles Williamson should be paid the cannery salary for May and that the cannery would open some time the first week in June on a trial basis for one day a week.

Motion was made by Carroll Martin, seconded by Fred Eisenbarth that a hay blower be purchased from H-H-H Co. for use on the farm. Motion carried. Price of blower \$250.00.

It was reported that the City and the County were no longer going to use the irrigation line that carries water to the football field back of the Junior High. It was decided to look into the possibility of installing a pump when this line is no longer usable by the school district. With regard to the line that irrigates the front lawn at the Junior High it was decided that a meeting should be called with the rest of the people on the line to work out some means of repair acceptable to all concerned.

The purchase of an adding machine for the high school office was postponed until such time as we can be more nearly sure as to what our reserve balance will be at the end of June.

Purchase of football equipment for the Junior High school was postponed for the same reason.
