Dear Sir or Madam:

Enclosed is a map of the Pope Ditch Co. service area and irrigated acres served by the company. Please review the area within which the Pope Ditch Co. delivers water to its users as well as the delineated boundary to make sure that all the land serviced by the company as of 1987 is included. The green service area boundary is the general area the Pope Ditch Co. serves where as the yellow dotted areas are the areas where water is applied. The sum total of areas identified as where water is applied is where the total acres figure is derived. The total acre figure is listed on the preliminary recommendation under Place of Use.

If changes are required to the boundary or area where water is applied, please draw directly onto the map with a dark or silver pen to indicate any additional changes or omissions then mail the map back to me at the address below. On the Notice of Error Reply, in section 1. enter "POU", in section 2. enter "See map sent to Danielle Favreau". Please note that areas where there are roads, railways, ponds, driveways, major canals and laterals, and homes are not normally considered areas where water is applied. If no changes are required, simply complete the Notice of Error Reply addressing your other concerns or agreeing with the proposed recommendation(s).

Please call or write me if you need additional maps, or if the map needs to be expanded to include areas not shown but served by Pope Ditch Co.

Sincerely,

Danielle Bruno-Favreau
