1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

Period of Use; Quantity of Use; Place of Use; and address

2. Describe the changes you wish to make in the proposed recommendation:

Changes should be made to match our original Adjudication Claims Proof Reading Report (see attached).
Period of Use = 3/15 to 11/15; Quantity of Use = 0.340 CFS; Place of Use = 27 total acres. Address change, see above.

3. Give a brief explanation as to why you disagree with these portions:

Nothing has been filed or done to alter our original claim as you have described it in the proposed recommendation, since the purchase of the property in 1999. 3.5 acres has not been accounted for in the SWNE section. Where did it go? Although the change in the period of use is not as significant as the acres and CFS, why was that changed?

I AGREE with this proposed recommendation: no changes need to be made.
