Re: Change in Ownership 37-12157

Dear Mr. Brockway:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

☒ Filing Fee of \$25

☐ Filing Fee of \$100 per water right for changes resulting from division of a water right

☐ Signature

☐ Notarized Signature for Assignment of Permit

☐ Evidence of Water Right Ownership: copy of Warranty Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

☐ Evidence of Security Interest: copy of Deed of Trust, Mortgage, Contract of Sale, or other legal document indicating your interest in the property and water rights in question

☐ Security Interest Expiration Date

☐ Legal Description of Property

☐ Plat of Property or Survey Map usually on file with the county

☐ USDA Farm Service Agency (formerly ASCS) Aerial Photo with irrigated acres outlined and point(s) of diversion clearly marked

☐ Description of Portion of Water Right resulting from division of water right

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice is \$25.

Because the Department cannot process the ownership change without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days, we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water rights ownership and/or mailing address to the Department within 120 days of the change. Failing to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's website to obtain the proper forms and instructions. Please feel free to contact this office if you have any questions.

Sincerely,

Carrie Hahn

Re: Ownership changes – Harry Rinker / Rock Creek properties
Project No. 128-16-1999

Dear Ms. Hahn:

I am responding to your inquiries regarding the above-referenced ownership changes:

The areas you outlined in red are covered by the deeds for the Betts Parcel #2.

As you requested, enclosed are the property deeds which confirm the ownership of water rights 37-1151D, 37-1152, 37-627, and 37-12157. This land has been conveyed to Rock Creek, LLC and there is one deed for each 40-acre tract. I am enclosing a new ownership change form showing Rock Creek, LLC as the new owner and also documents from the Idaho Secretary State confirming that Harry Rinker is the manager of the company. The other lands owned by Mr. Rinker will remain in the name of the Harry S. and Diane J. Rinker Revocable Trust.

The permit 37-7798 in the name of Tews has lapsed and is also not located on the Rinker property, so the ownership change for this permit should not be processed.

Cordially,

Charles G. Brockway, P.E.
