1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

- The Quantity reflected in the attached historical records show 213 CFS vs 140 CFS
- Total acres are 10.9, I believe the Preliminary Recommendation shows Total as 6.9 AC
- The attached documentation shows Priority Date as 4/15/39.
- The map showing Place of use shows us to include adjacent average owned by Percy C. Pence
- 2. Describe the changes you wish to make in the proposed recommendation:
 - I wish the quantity to reflect the recorded 213 CFS vs 140 CFS
 - The total acres should reflect 10.9 AC and an actual irrigated average, I think 6.9 AC
 - The priority date need changed to reflect that recorded in historical records
 - Map needs to show accurately the average of use on my property

3. Give a brief explanation as to why you disagree with these portions:

- It reflects amounts recorded in Transfer documents and priority in historical records
- map needs correction

____ I AGREE with this proposed recommendation: no changes need to be made.
