DISALLOWED: No lawful appropriation shown.

EXPLANATORY MATERIAL: BASIS OF CLAIM -

No lawful appropriation shown: There are a number of circumstances in which a claim is proposed to be disallowed on this basis. This is most commonly included for a claim based on beneficial use or posted notice that is proposed to be disallowed because the right claimed is not within an exception to the mandatory permit statute, and beneficial use of water prior to the mandatory permit statute was not confirmed. This is also included where a claim is proposed to be disallowed because the claim is to water that is not public water subject to appropriation. This is also included where a right was determined not to exist in a prior adjudication.

Re: City of Parma
Water Right Claim Number 63-21552

Dear Mr. Tuthill,

As requested in the Extra Notice, dated November 20, 2006, the City of Parma is providing evidence regarding rate of flow and date of service for the above referenced water right claim. Please consider the following supporting information in your recommendation.

The following table represents the population for corresponding years according to US Census data, assumed number of homes using a factor of 3 persons per home, assumed domestic use using a factor of 800 gallons per day per home and an assumed irrigation use irrigating 5000 square feet per home with an application rate of 2 inches per week.

Year	Population	Domestic Use	Irrigation Use	Total
1910	338	0.14 cfs	0.16 cfs	0.30 cfs
1920	583	0.24 cfs	0.27 cfs	0.51 cfs
1930	750	0.31 cfs	0.35 cfs	0.66 cfs

Please note the following attachments

- A. Proof of the existence of a water system in 1911.
- B. Reference of City owned water lines in 1912.
- C. Water tank and use of City water for irrigation in 1911.
- D. Reference to water system, tank and irrigation use in 1911.

Parma Water Right Claim

It is our opinion, with the supporting documentation and use data presented above, that the City of Parma is entitled to a portion of the water right claim number 63-21552. It is our recommendation that a water right for the City be determined as follows:

1. 0.3 cfs with a priority date of 1911
2. 0.5 cfs with a priority date of 1915 (ref. 350 gpm capacity, attachment H.)

The two water rights would total 0.8 cfs. If additional information is necessary, please contact our office, 208.642.3304.

Thank you for your assistance in the process.

The meeting was called to order by the Chairman.
Roll being taken showed the following members present:

R. H. Albertson, R. B. Mitchell, J. C. Watson, D. O. Castater and
H. W. Falmesley. Absent--none.

The business of the meeting being the consideration
of the bids as received by the Water Works Committee for the
construction of an eight inch well and the furnishing of
eight inch pipe for same.

Village Engineer F. H. McConnel, appeared before the
board and submitted the following estimate for the construction
of the well and pump:

The Honorable Mayor and Village Council of Parma, Idaho.

Gentlemen:

I hereby submit the following estimate for the
construction of the wells and pumping plant of Parma:-
36 feet of 8 inch casing @ \$1.80 per foot \$240.00
Sinking 8 inch well 200 feet @1.80 per foot 360.00
To 3 1/2 inch, two stage, centrifugal pump, 350 gallons per
minute capacity, with leather link coupling for direct
connection to motor, together with one (thirty) 50 horsepower
1800 revolutions per minute, 2200 volt, 3 phase motor, direct
connected with pump, and without voltage release starter \$700.00
or, instead of 3 1/2 inch pump and 50 horsepower motor a three
inch pump of 250 gallon capacity and 25 horsepower motor
with of same specifications as above pump and motor, will
cost about \$650.00
Cost of installation about 50.00

Respectfully submitted,
Fred H. McConnel,
Village Engineer.

Moved and seconded that the Village Engineer's
estimate be accepted and filed with the clerk. The roll
being taken on this motion resulted as follows: those voting
aye--C. W. Albertson, R. B. Mitchell, J. C. Watson, D. O. Castater,
H. W. Falmesley. Nay--none.

The following bids were then opened and read:

Thas. H. Hansen, Caldwell, Idaho.
8" well \$1.40 per foot,
8" well 1.80 per foot,
8" casing .85
8" casing 1.22 1/2.

Boise, Idaho, September 10, 1915

R. B. Mitchell, Chairman of W. W. Committee,
Parma, Idaho.

Sir:

In reply to your favor of the 9th inst.

Price of drilling 6 inch hole \$2.50 per foot, 6
standard black pipe \$1.00 per foot including cutting,
threading and extra coupling, 6 inch hole complete \$3.50 per
foot. 8 inch hole \$3.00 per foot. 8 inch standard black
pipe \$1.25 per foot including cutting, threading, extra
couplings and etc. 8 inch hole complete \$4.25 per foot.
6 inch hole \$1.75 per foot complete.

It is often better to put in 2 four inch holes than
one 8 or six inch hole. I have had considerable experience
in putting wells down where considerable water is wanted for
irrigation and so forth.

Hoping the prices will meet your approval,

I am yours truly,

J. Leslie Shellworth,

1509 Hays St., Boise, Ida.

Parma, Idaho, August 13, 1915.

R. B. Mitchell, Chairman of Water Works Committee:

I herewith submit bid for digging 8 inch well and
putting in 8 inch pipe, city to furnish pipe, for \$2.00 foot.
J. M. Judd.

Parma, Idaho, Sept. 11, 1915.

Village Board, Parma, Idaho.

Gentlemen:

I hereby offer to drill an 8 inch well for the
Village of Parma @ \$1.45 per foot and furnish all tools and
labor but not furnish pipe for same.

Respectfully submitted,
Wm. Tremblay.

R. Fisk--Furnish 8 inch pipe according to specifications
of Village Engineer delivered at Parma, Idaho, for the sum
of \$1.10 per foot.

After due consideration by the Board and Village
Engineer, it was moved by J. C. Watson and seconded by C. W.
Robertson that the bid of Wm. Tremblay for \$1.45 per foot
be the best and lowest bid and that said Tremblay be granted
the contract, and that the Water Works Committee be instructed
to enter into contract with Mr. Tremblay in behalf of the
city, for the digging of the well. The roll being taken on
this motion resulted as follows: those voting aye--C. W.

Robertson, R. B. Mitchell, J. C. Watson, F. J. Walmsley and

W. O. Castater. Nay--none.

Section 15. In case the issuance of said bonds to provide for the construction and laying out of the streets in the said Village shall be approved by said electors, then the interest falling due on the said bonds on July 1, 1912, shall be paid out of the general fund of said City, and for the purpose of reimbursing said general fund for said interest and to meet the interest accruing on said bonds on January 1st, 1913 and July 1, 1913, there shall be levied in the year 1912, on all the taxable property in said village, in addition to all other taxes, a direct annual tax sufficient to produce the sum of \$320.00; that in order to raise the necessary funds with which to pay the interest due January 1, 1914 and thereafter, to and including July 1, 1921, promptly and as the same accrues, there shall be levied on all the taxable property in said village, in addition to all other taxes a direct annual tax in each of the years 1913, 1914, 1915, 1916, 1917, 1918, 1919, 1920, sufficient to produce the sum of \$240.00 for the purpose of paying two installments of said interest; that in order to raise the necessary funds with which to pay the interest due January 1, 1922; and thereafter to and including July 1, 1930, promptly and as the same accrues and to create a sinking fund for the payment of the principal of said bonds, there shall be levied on all the taxable property in said Village, in addition to all other taxes, a direct annual tax in each of the years 1921, 1922, 1923, 1925, 1926, 1927, 1928, and 1929, sufficient to produce the sum of \$640.00 for the purpose of paying two installments of and interest, amounting to \$240. and to produce the sum of \$400. to pay 1/10 of the principal of said bonds, and in the year 1930, sufficient to produce the sum of \$800. for the purpose of paying the interest accruing Jan. 1, 1931, July 1, 1931 and March 1, 1932, amounting to the sum of \$400., and to produce the sum of \$400. to pay 1/10 of the principal of said bonds, and said taxes when so collected shall be applied solely to the purpose of paying the interest and principal of said bonds respectively, and for no other purpose whatever until the indebtedness so contracted under this ordinance-principal and interest-shall have been fully paid, satisfied and discharged.

Section 16. It shall be the duty of the board of trustees

of said village, and they are hereby required annually at the time and in the manner provided by law for the levying of other village taxes to ratify and carry out the provisions hereof with reference to the levying of taxes, and requiring the officers of and for said Village to levy, extend and collect such taxes in the manner provided by law, for the purpose of creating a sinking fund for the payment of the interest upon and the principal of said bonds, and the said taxes when so collected shall be kept for and applied only to the payment of said interest and principal of said bonds as hereinbefore specified, but nothing herein contained shall be so construed as to prevent said village from applying any other funds that may be in the village treasury and available for that purpose to the payment of said interest and principal as the same respectively mature, and the levy or levies herein provided for may thereupon to that extent be diminished, and upon the payment of the principal of any of the bonds issued hereunder in said manner, or by the use of the sinking fund herein provided for, the levy or levies provided for the payment of the interest may to the extent of the interest of the bonds so paid be diminished.

Section 17. This ordinance shall take effect and be in force from and after its passage, approval and due publication and shall be irrevocable until the indebtedness hereby created shall have been fully paid and satisfied.

Passed and approved this fourth day of March A.D. 1912.

ORDINANCE NO. 55

An Ordinance to establish a Local Sprinkling Improvement District in the Village of Parma, providing for street sprinkling in the District and conferring certain powers on the Village Engineer and the Committee on Streets.

Be it ordained by the Chairman and Board of Trustees of the Village of Parma, Idaho.

Section 1. That there is hereby established in the Village of Parma, Idaho, a local improvement district, to be known as Local Sprinkling Improvement District No. 1 which shall include all the property fronting or abutting on, contiguous or tributary to the streets to be sprinkled, between the points hereinafter named to the distance back from such streets, if platted in blocks to the center of the blocks; if platted in lots, only to the center of the lots; and if not platted, to the distance of one hundred twenty five (125) feet.

Section 2. The names of the streets to be sprinkled and the points between which said sprinkling is to be done are as follows:

On South street from Second street to Fourth street on Main Street from First street to Fourth street, on Grove Street from First street to Seventh street, on Bates Avenue from Third Street to Fourth street, on Lang Avenue from Fourth street to the alley between Sixth and Seventh streets, on Ball Avenue from Fourth St. Street to Fifth street, on Curtis Avenue from Fourth St. to Fifth Street, on Second street from Main Street to Bates Avenue, on Third street from South street to Stewart Avenue, on Fourth street from Main street to Grove street on Fourth street from Ball Avenue to Curtis Avenue, on Fifth street from Lang Avenue to Curtis Avenue, on Sixth street from Grove street to Ball Avenue.

Section 3. The streets, avenues and alleys between the points above named and included within Local Sprinkling Improvement District No. One shall each year, at such times as the Committee on Streets shall deem necessary and in such manner as said Committee may prescribe, be sprinkled.

Section 4. The Committee on streets together with the Village Engineer shall determine, as nearly as can be done the amount of money to be raised annually for the sprinkling of said streets. Thereupon they shall proceed to make an assessment roll of the real property contained within the boundaries of said district. The cost and expense of said sprinkling shall be taxed and assessed upon all property in such Local Sprinkling Improvement District No. One, which cost shall be assessed in proportion to the number of feet of such lands and lots fronting thereon, or abutting, contiguous or tributary thereto, and included in said improvement district, and in proportion to the benefits derived by said sprinkling improvement, as provided by chapter 81 of the 1911 Session Laws amending Section 2238 of the Revised Codes of Idaho. The assessment roll shall contain a description of the property in separate parcels or tracts, the front feet of the property and the amount of benefit derived by the property.

Section 5. The assessment roll above mentioned shall be certified to the Board of Trustees by the committee making the same, and the Clerk shall thereupon give notice as required by law of the filing of said assessment roll and of the time when the Board of Trustees will hear and consider objections to said assessment roll by any party who may be aggrieved thereby.

Section 6. The Committee on streets shall be governed in the performance of their duties, in addition to what is herein contained, by all the provisions of the laws of the state of Idaho relating to Cities and Villages.

Passed by the Board of Trustees this 4th day of Nov. 1912.

Approved by the Chairman this 4th day of Nov. 1912.
