Re: Evidence of Priority for Water Right # 37-12392

Dear Mr. Jones,

Enclosed is the Water Resource copy pertaining to Water Right #37-12392. The priority date is correct. This water was in use on my grandparents homestead when they settled here in 1904 and has been in use yearly ever since. Since there was no need to file until later years, this priority date was agreed on. There has been a head gate and weir installed as the enclosed pictures show.

Also, James Peterson, Watermaster for District 37, has signed below, verifying the priority date is correct.

Sincerely,

Guy Peterson
