**ATTACHMENT TO RESPONSE
OF
BURLEY IRRIGATION DISTRICT**

Explanation:

2. Source:

The source is the direct flow of the Snake River, waters of the state, as recommended and decreed, which includes the tributaries and springs flowing into the river, a natural water course, as well as flood or winter flows, when available. The source, as recommended, is binding on the objector and is *res judicata* pursuant to the Eagle decrees.

10. Other Provisions:

Burley Irrigation District concurs with this objection but believes that the provisions of the "Eagle Decrees" should be incorporated by reference in the same manner that provisions of the "Foster", "Woodville", and "Rexburg" Decrees were incorporated by reference.
