RE: Subcase No. 22-4090 (Goe)

Dear Judge Melanson:

The Director's Report for Basin 22, Part 1 was filed with the SRBA Court on May 15, 2006. Since that filing, IDWR has discovered a clerical error in the recommendation for this water right. Specifically, the volume for the purpose of use was not contained in the original recommendation. Attached hereto is a copy of a revised recommendation showing the proposed correction.

I am also sending them a copy of this correspondence to the claimant so that he is aware of this issue.

If you should have any questions, please feel free to contact me at 287-4810.

Very Truly Yours,

A handwritten signature in black ink, appearing to read "Candice M. McHugh".

Candice M. McHugh
Deputy Attorney General, IDWR
