We lived on and irrigated
the ranch that Farrest & Ray Williams
now have from 1941 to 1959.

Scott Wilkie

Carter,

Mr. Wilkie is 93 years old + we was
not able to have this notarized. His mind is
very sharp. He knew details about everything
on the ranch. He said his grandfather
bought 160 acres from Circle C Landers in
1889 + homesteaded another 160. Our place
is a part of this.

Mr. Wilkie had some great stories
to tell. We enjoyed our visit so much

Thanks -

Ray Williams
