RECEIVED

DEC 13 2006

IDWR/North

1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

acerage, CFS

2. Describe the changes you wish to make in the proposed recommendation:

1. increase acerage in SWSE from 11 to 20
2. increase acerage in SWNW from 5.4 to 8
3. increase CFS from .96 to 1.5

3. Give a brief explanation as to why you disagree with these portions:

These are the facts on the ground. The fields are bigger than the IDWR recommendations report. Therefore we need more CFS.

☐ I AGREE with this proposed recommendation: no changes need to be made.

DATE: 12/3/06
