Re: City of Meridian's Water Right Recommendations

Dear Dave:

Enclosed please find a Notice of Error for IDWR's preliminary recommendation of water right number 63-3252 that I submit on behalf of the City of Meridian. As we discussed last night, the points of diversion information that Ed Squires has submitted should help IDWR make appropriate recommendations of the water rights. Additionally, it is my understanding that Brad Watson should be amending the claims this week to add an additional point of diversion that IDWR already recognizes as existing.

Thank you for your hard work on these water rights. We are hopeful that objections (if any) filed by the City of Meridian to IDWR's water right recommendations in the SRBA will be limited in scope and in number as a result of our communications.

Please feel free to contact me with questions or for discussion.

Sincerely,

Charles L. Honsinger
