Re: City of Caldwell's Water Right Recommendations

Dear Dave:

Enclosed please find a Notices of Error for IDWR's preliminary recommendation of water rights that I submit on behalf of the City of Caldwell. I believe these are minor issues that can be quickly and easily addressed. As we discussed last night, the points of diversion information that Ed Squires has submitted should help IDWR make appropriate recommendations of the water rights.

Thank you for your hard work on these water rights. We are hopeful that objections (if any) filed by the City of Caldwell to IDWR's water right recommendations in the SRBA will be limited in scope and in number as a result of our communications.

Please feel free to contact me with questions or for discussion.

Sincerely,

Charles L. Honsinger
