RE: Snake River Basin Adjudication (SRBA)
Water Right Claim #74-2187B

Dear Ms. Nebeker:

We have received your Notice of Error on the water right claim referenced above. If you disagree with the IDWR recommendation filed with the Court in January, 2006, you will want to file a Motion for Late Objection at this point. The Notice you received had an objection deadline in June, 2006. You may write a letter to the Court in Twin Falls, but you will have to send an objection form following the instructions in the form completely.

Determining the description of your water right is solely in the hands of the Court.

Sincerely,

Donald V. Shaff, MPA
Adjudication Bureau Chief
