DEPARTMENT OF
WATER RESOURCES, 2006

1. I moved to Weiser in 1955 with my parents. I remember that Carly Seeliger Borrowed a Black ~~horse~~ from dad in "56" or "57" to put with his horse to pull a "fresno" to make a dyke in Scott Creek to Irrigate his place. 67-4165

2. I don't know the exact time but Ken Steck built a ditch from Scott Creek, to a storage pond by Rocky Point to ~~be~~ used for Irrigation along with water from some wells that he had drilled. He didn't know much about Irrigation and it didn't Irrigate its "self" so things didn't get done. #67-4171

3. The well by the house was used by "June McMullen" to Irrigate the pasture by the house when he had the place. 50's & 60's.
