Dear Shelley Keen,

I, Richard Gouley, purchased the fifteen acres (lots 2 & 3) south of lot 1 of the Scofield subdivision, in 1977, which was owned by Lyle Scofield. Lot 1 was about 6.4 acres, which Lyle Scofield was irrigating with 2 irrigation wells. One was a culvert well in the ground on the property line between lots 1 & 2. The other pump was pumping water out of the Broadford Slough. It was a 6 cylinder diesel powered pump. Lyle Scofield used a combination of flood irrigation and hand lines to irrigate the acreage.

Robert Bouttier irrigated the property for Lyle Scofield in the mid-1980s, when he was too old to do the work himself.

Sincerely,
